 Fish tourism, fish heritage, fish culture, local fish products, sustainable tourism

Objective

Initial position / background / local context of the proposed project

We would like to create a network of exchanges of knowledge and generate projects between the FLAGs of the Northwest Mediterranean Sea. The first project we propose is on sustainable tourism based on the fishing and maritime traditions of the Northwestern Mediterranean Sea.

Proposed objectives / target group and activities

- Exchange of good practices of fishing tourism
- Identify cruise routes to create joint information for the promotion of FLAG and food products in the Mediterranean coast : menus based in fish at each stop, fish-processed products as a souvenirs (e.g. fish pâté, “fumet”, preserves, etc.),
- Inventory of fishing tourism attractions and seafarers of the North Western Mediterranean sea (tour guide for sea tourists) that includes fishing municipalities, fishing sector, industry, local transformer, hotels, restaurants with local fishery product, fish interpretation centers and museums, natural marine parks or marine protected areas, sea festivities, history and marine tradition, etc.

Country and /or kind of partner you are looking for
