Deadline	(for application/ for partners)

### Organization

Name of LAG	<b>Cesis distric rural partnership</b>
Short project description	<p><b>Project idea is about:</b>  <b>To improve the development of a healthy environment and healthy lifestyle in society. It is necessary to create a modern network of nature education centers or environmental centers with activties around them -throughout Latvia, which will enable both - childrens and adults to acquire the knowledge and experience for developing a nature-friendly way of life. Really important to create and establish nature or environmental centers also in Cēsis district rural partnership area. Latvian rural areas require modern environmental and social centers, that motivate young families and people not to leave the countryside.</b></p>
Contact details	<p>Name of the organization : Cesis distric rural partnership          Address : Jāņa Poruka 8,Cesis, Latvija          Tel.: +371 29467509          Email: cesis@partneriba.lv          Name of the contact person: Anda Andrušaitė (+371 26433668)</p>
